

Appointment Reservation Policy

Our office works hard to give our patients individualized appointments with both the staff and doctors. We are Pleased to be able to assist patients with your dental coverage in our office. In order to set aside the time necessary to provide the best patient care, we must have a high attendance rate at these appointments. If you are unable to make your reserved appointment time, we ask you to give us a minimum of 24 hour cancellation notice. Patients who cancel less than 24 hours prior or “no show” their appointment will be asked to call for same day appointments **only**. Patients with multiple missed appointments will be asked to seek dental care at another office. We appreciate your cooperation with this policy. This allows us to offer the best service and reach more patients in need of dental care.

Thank You,

Burns Family Dentistry Staff and Doctors
